

# Congratulations!

PEER TO PEER

## Darius Quick

You have been recognized by Michelle Fiedler

I received an e-mail regarding a call from a caregiver with an enteral pump issue. When I called the caregiver back to troubleshoot, she told me Darius had already reached out and was able to correct the issue. She had so many compliments for Darius and his customer service skills. She was so appreciative of the follow up and quick response. Thank you Darius for providing top notch care to our patients!
