You have been recognized by Katherine Pontarolo-Maag

Darius is the epitome of professionalism and outstanding service. I've had the pleasure of interpreting for him dozens (if not hundreds!) of times over the past several years when he speaks to Spanish-speaking families. Without fail, he is respectful to every client and proactive in ensuring their needs are met, including their language needs. He educates clients how to reach him via an interpreter to make the process of obtaining their supplies as smooth as possible. We appreciate him deeply!
