

# HAPPY ANNIVERSARY!

**To: Darius Quick**

From: Lauren Dougherty

It's tough to stay put in the same place for a long time. However, maybe the word "tough" isn't in your vocabulary, and you have sailed together with us through all of the ups & downs. As a part of my work anniversary message for you, I would like to congratulate you on achieving this milestone. And also wish you the best of luck for times to come. I'm so proud of you!

Happy 3 years, DQ!
